Colors: Black matte

Material: Alluminium, Steel

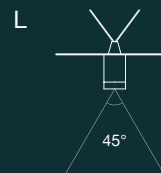

Weight: 4kg

* On request it is possible to customize the number of pendants, the light type, and the

Light type :

Reference Code:

D02P4L
D02P4D

Mounting: indoor ceiling

Light source: 4x interchangeable LED
3000k 390lm CRI 80 / 2700k 350lm CRI 90

Input Voltage: 180 ÷ 240V

Power: 12W

dimerable : with 0-10V dimming

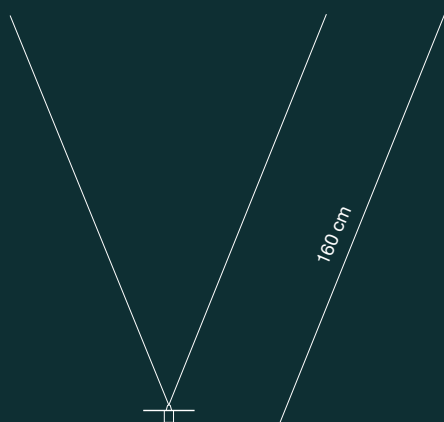

Colors: Black matte

Material: Alluminium, Steel

Weight: 3kg

* On request it is possible to customize the number of pendants, the light type, and the length of the cables.

Each module has two cables 160 cm long, which can be shortened at pleasure during installation.

Standard versions consist of all diffusers (D) or all lenses (L). It is possible to have a mixture of lenses and diffusers at no additional cost.

* In addition to the D02P4 and D02P6 versions, an 8-module version is available on request (D02P8).
